

Welcome to our office. We are pleased to be able to offer you and your family mental health services. As therapists, our responsibility lies in offering you the needed diagnostic and therapeutic services for the emotional and behavioral difficulties you and/or your family are currently experiencing. Enclosed you will find some forms that will aid us in assisting you more effectively. Our professional staff will be glad to discuss with you our services, charges, insurance billing, appointments, as well as any other questions you may have.

If you cannot attend a scheduled appointment, kindly notify us as soon as possible. **Please be aware that you will be charged the full agreed upon fee for any appointment that is not cancelled twenty-four (24) hours in advance.** You will be solely responsible for this charge as we cannot bill an insurance company for a service not provided.

Confidentiality is of primary importance in mental health practice. Consequently, we adhere to very strict standards regarding the release of records and/or information related to you or your family for your own protection. All communication between us is confidential and privileged, with the following three exceptions:

1. In staff supervision and with consultants, as needed, in order to challenge and/or confirm decisions about diagnosis, treatment, and medication.
2. Should you choose to use insurance to cover the cost of therapy, detailed treatment reports are frequently required by the managed care companies on a regular basis in order to access benefits and determine medical necessity.
3. By statutory law, **"DUTY TO WARN"**, outweighs the limits of confidentiality and privilege in case of reported act, which may endanger yourself or others.

Finally, good communication is essential for successful treatment. Please feel free to share with us any of your concerns.

INSURANCE CONSENT

Your insurance benefits may be limited by the number of visits granted per calendar year or by the total dollar amount available. Furthermore your insurance company may impose limits on the number of visits you receive based on their definition of medical necessity.

When we accept assignment of insurance benefits for payment of your bill we are in effect acting as the insurance company's agent or provider. It's also important for you to understand that when you sign an authorization to release information on your insurance form, we may be asked to discuss, in a verbal or written report, information related to your case with a case manager. A case manager is a clinical representative of the insurance company and will not reveal information to your employer. This contact may be necessary to facilitate continuing payment for your psychotherapy.

I understand and have discussed the above conditions. I am ready to accept treatment under these conditions.
